

REMARKS/ARGUMENTS

A replacement specification is presented to place the application in U.S. format.

The amendments in the claims are presented to place the claims in even better U.S. format.

These amendments are not related to reasons of patentability.

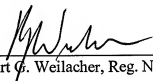

Consideration of the above amendment is respectfully requested because it does not add any new material and is filed prior to any consideration by the Patent Office.

Examination on the merits is awaited.

Respectfully submitted,

SMITH, GAMBRELL & RUSSELL, LLP
